**NOTICE OF REQUEST FOR TEMPORARY AUTHORIZATION**

Kilgore Flares Co., LLC  
155 Kilgore Drive  
Toone, TN 38381

Dear Mailing List Recipient:

In accordance with Rule 0400-12-.01-.07(9)(v)III Kilgore Flares Company (Kilgore), EPA ID Number TND 98 102 6594, submitted to the Tennessee Division of Solid Waste Management (DSWM) a request for the reissuance of the Temporary Authorization granted on March 4, 2015 by the Division of Solid Waste Management that is set to expire on August 31, 2015; to maintain the treatment capacity limit at its Open Burn Unit (OBU) from 5,000 pounds a week to 7,500 pounds a week. The daily burn limit is to remain at 1,500 pounds. The reissuance of the Temporary Authorization is for a term of not more than 180 days.

Kilgore currently treats hazardous waste pyrotechnics at the OBU on Keller Road generated during the manufacturing process at Kilgore's main facility. Kilgore's main production facility is located at 155 Kilgore Drive, Toone, Tennessee 38381, and the address for the Open Burning Unit (OBU) is Keller Road, Toone, Tennessee, 38381.

Kilgore operates the OBU as an Interim Status facility under the standards established in Tennessee Hazardous Waste Management Regulations for an existing hazardous waste treatment facility. During the period of Temporary Authorization Kilgore will be working with the DSWM to complete the processing of a finalized Hazardous Waste Treatment Permit which includes the increased weekly treatment capacity.

Further information on this matter can be obtained by contacting either Charles McDowell, Environmental Manager, Kilgore Flares Company [(731) 228-5240; [cmcdowell@kilgoreflares.com](mailto:cmcdowell@kilgoreflares.com)] or Al Frakes of the DSWM [(615) 532-0855; [Albert.Frakes@tn.gov](mailto:Albert.Frakes@tn.gov)].
